Govt firms, BFSI sector key to blockchain adoption in India: Nasscom

PRESS TRUST OF INDIA
New Delhi, March 12

PUBLIC SECTOR FIRMS across half of the states along with the banking and financial sector are driving blockchain adoption in the country, a report by IT industry body Nasscom said on Tuesday. "The public sector has driven blockchain-based projects with nearly half the Indian states involved to address different elements of citizen service delivery," Nasscom said.

It said states were also ensuring a progressive approach to impart a conducive framework for start-ups and niche service providers to participate in these initiatives. According to the report, more than 40 blockchain initiatives are currently being executed by public sector companies with 92% projects in pilot phase and 8% in production phase.

"Further, enterprises across all key industries in India are also identifying different applications of blockchain. The BFSI (banking, financial services and insurance) sector has seen the highest adoption, but other industries such as healthcare, retail and logistics are also accelerating rapidly," the industry body said. The report said start-ups were involved in over 50% of the blockchain projects across various industries in the country. "Even as the demand for blockchain-based talent is growing at 40% each quarter, it is time to reiterate the importance of a skilled workforce," Sangeeta Gupta, senior vice-president, Nasscom, said.

CORRIGENDUM TO THE POSTAL BALLOT NOTICE

The voting commenced on February 15, 2019 and will end on March 16, 2019.

The relevant date for ascertaining the minimum price for allotment of equity shares in terms of Chapter V of the SEBI ICDR Regulations was February 14, 2019 and the date for adoption of currency conversion rate for conversion of ECB loan into equity shares was February 08, 2019. Since at the time of the Board Meeting, both the aforesaid information, i.e. price on relevant date and the currency conversion rate were not ascertainable, the actual number of shares to be allotted could not be calculated and accordingly the Company has sought approval from the shareholders for allotment of upto 8,00,000 equity shares.
