Independent Auditors' Report

To the Members of

Eastern Speciality Paints & Coatings Pvt. Ltd.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Eastern Speciality Paints & Coatings Pvt. Ltd. ("the company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss and Cash Flows Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its loss for the year ended on that date.

Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act, ('SAs'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountant of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion of these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The company's Board of Directors is responsible for the other Information. The other information comprises the Report on Corporate Governance but does not include the financial statements and our auditor's report thereon, which we obtained prior to the date of this auditor's report, and the Board Report including Annexures to Board Report, which are expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact, we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true fair view of the financial position and financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013 we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014;
 - e) On the basis of the written representations received from the directors as on 31st March, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a Director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements for the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure II.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:
The Company has not paid/provided for managerial remuneration during the year.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanations given to us;
 - (i) The company does not have any pending litigations which would impact its financial position;
 - (ii) The Company did not have long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.

- (iv) a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiary") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiary") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (v) Based on the audit procedures which are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations made by the Management under sub-clause (iv) (a) and (iv) (b) above, contain any material mis-statement.
- (vi) The company has not declared any dividend nor has it proposed any dividend for the year, hence reporting on dividend is not applicable.
- (vii) The Companies (Accounts) Rule 2014 -Rule 3(1) requires companies to use accounting software which has a feature of recording audit trail (edit log) for maintaining books of accounts and is applicable to the company with effect from 1st April, 2023. The accounting software used by the company for maintaining its books of account did not have the feature of recording audit trail (edit log) facility and the same was not operated throughout the year.

Annexure II referred to in Paragraph 2(f) of "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report to the Member of Eastern Speciality Paints & Coatings Pvt. Ltd. on the Ind AS Financial Statement of the Company for the year ended 31st March, 2024.

Report on the Internal Financial controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of the Eastern Speciality Paints & Coatings Pvt. Ltd. ("the Company") as of March 31, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls bases on essential components of internal control stated in the Guidance Note on Audit of Internal financial Controls over Financial Report issued by the Institute of Chartered Accountant of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control bases on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial controls over financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting include those policies and procedures that;

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorization of management and directors of the company;
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED March 31, 2024

1

Overview

Eastern Speciality Paints & Coating Pvt Ltd ("the Company") is a private limited company domiciled in India. The registered office of the Company is located at Stainless Centre, 4th Floor, Plot No. 50, Sector-32, Gurugram, Haryana-122001.

The Company is engaged in the business of considering and evaluating various proposals for setting up business in paints, coating and providing related services.

2

Basis of preparation of financial statements

These financial statements have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act to the extent applicable.

The financial statements provide comparative information in respect of previous year.

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of incomes, expenses, assets and liabilities, and the accompanying disclosures at the date of the financial statements. The judgments, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years.

3

Significant Accounting Policies

a)

Basis of measurement

The financial statements have been prepared under the historical cost convention on the accrual basis, except for the following assets and liabilities which have been measured fair value:

- Financial assets and liabilities except Loans and borrowings carried at amortised cost;

The financial statements are presented in Indian Rupees which is the Company's functional and presentation currency and all amounts are rounded to the nearest Rs. thereof, except otherwise stated.

b)

Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) **Initial recognition**

The Company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added/deducted respectively to the fair value on initial recognition. Trade receivables and trade payables that do not contain a significant financing component are initially measured at their transaction price.

b) **Subsequent measurement****(i) Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. When the financial asset is derecognised or impaired, the gain or loss is recognised in the statement of profit and loss.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are recognised in OCI except the recognition of impairment gains or losses, interest revenue calculated using the Effective Interest Rate (EIR) method and foreign exchange gains and losses which are recognised in profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from the equity to Statement of Profit and Loss.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in the Statement of Profit and Loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

c) **Impairment of financial assets**

Financial assets, other than debt instruments measured at FVTPL and Equity instruments are assessed for indicators of impairment at the end of each reporting period. The Company recognises a loss allowance for expected credit losses on all financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

d) **Derecognition**

Financial Assets

Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Financial liabilities

The company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expires.

e) **Reclassification of Financial Assets and Financial Liabilities**

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

f) **Offsetting**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

c) **Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes in to account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy in which they fall.

d) **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand, bank balance, short-term deposits with original maturities of three months or less and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e) **Contingent Liabilities**

Liabilities which are material in the opinion of the company and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent.

f) **Earning per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted Earning per Share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

During the year ended March 31, 2024 and March 31, 2023, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

The following methods and assumptions were used to estimate the fair values.

A Fair value of cash and deposits and other current financial assets and liabilities measured at amortized cost is approximate to their carrying amounts largely due to the short-term maturities of these instruments.

Fair value hierarchy

Level 1 - Quoted prices/NAV (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

10 FINANCIAL RISK MANAGEMENT - OBJECTIVES AND POLICIES

The Company's financial liabilities comprise other payables. The Company's financial assets comprise mainly of cash and cash equivalents.
