

Shalimar Paints expands HERO product line

Cuttack: Shalimar Paints Ltd, a pioneer in the Indian paints industry with a legacy of over 120 years, celebrated the success of their flagship product, HERO, and introduced innovative products that expand their extensive portfolio at an event in Kolkata. At the heart

of the event was the HERO 5-in-1 Super Premium Interior Emulsion's triumph, accompanied by the launch of HERO Super Premium Exterior Emulsion and HERO Interior Exterior. Embodying the vision of transformation and advancement, these introductions were part of the trailblazing campaign 'Upgrade Kiya Kya', which inspires consumers to enhance their homes with paints formulated using superior technology. Shalimar Paints leverages robust research and development capabilities to deliver innovative products. Kuldip Raina, Director - Sales and Marketing at Shalimar Paints said, "This event underscores Shalimar Paints' relentless pursuit of innovation and excellence. We are overwhelmed by the success of HERO Super Premium Interior Emulsion which has become the preferred choice among consumers within a year."
