Summary:

A dynamic professional with 5+ years of experience in production, operations, packaging, and quality assurance in chemicals, beverages, and FMCG sectors. Proficient in strategic thinking, auditing and training. Actively seeking opportunities to advance my professional growth in a challenging and dynamic environment that fosters skilled development and contributes to achieve organizational goals.

Work Experiences:

➤ April 2023 – April 2024

Techno Commercial Executive, Reliance Consumer Products Limited under 3 Point Human Capital Varanasi, Uttar Pradesh, India

- Managed RCPL's copacker unit "Nature Fresh" & "BD Foods" while bridging the gap of technical and commercial aspects of the beverage products.
- Maintained production, operations and filling of "Sure" and "Independence" Packaged Drinking Water (220 BPM) and "Campa" Carbonated Soft Drinks (90 BPM). Ensured the quality standards of the RCPL, BIS, FSSAI and other regulatory bodies. Monitored line efficiency, production process, trials, CAPA, RCA, plant operations, supply chain, inventory and FG stocks etc.
- Shift manpower management and supervision of SCADA, WTP, RO and CIP systems for smooth production.

➤ January 2021 – March 2023

Quality Supervisor, Tata Consumer Products under Genius Consultants Kolkata, West Bengal, India

- Monitored "Tata Salt" and "Tata Tea" packaging unit, SAP, audits, safety, GMP, FIFO and FEFO, OPRP, HACCP, mesh condition, material humidity, density, thickness, temperature and more. Maintain the record and track defects for quality control of primary, secondary and tertiary packaging materials, changeover of tea blends, tea pouches and tea bags.
- Prepared DPMO, OEE, FSSAI and FSSC 22000 internal audit, internal lab test, titration, CCP, pest control, batch traceability, training, machine breakdown, mock product recall, MRM, calibration, personal hygiene and supervise 14 QC members.

➤ February 2019 – December 2020

Production Engineer, Keventer Agro Pvt Ltd Kolkata, West Bengal, India

- Production and filling of "Frooti" mango drink (hot fill) and "Appy Fizz" apple juice (cold fill) beverages.
- Performed test for CO2 gas volume, brix, density, weight, pH, temperature, and colour. Utilized instruments like torque tester, top load tester, pH meter, TDS meter, refractometer, hot furnace, desiccator, hygrometer, pressure gauges, spectrophotometer, ozone and chlorine testing kit.
