Mobile No. : 9004013644 / 8976256483

ACADEMIC DETAILS

Examination	University	Institute	Year	CGPA
Master of Science (Analytical Chemistry)	Mumbai University	Ramniranjan Jhunjhunwala College	2024	8.40
Bachelor of Science (Chemistry)	Mumbai University	Ramniranjan Jhunjhunwala College	2021	7.61

TECHNICAL SKILLS

- **Instrumentation Technique** : UV-visible Spectrophotometer, FTIR (Fourier transform infrared spectrometry), Flame Photometer, Colorimeter, pH meter.
- MS Excel, MS PowerPoint, MS Word, and Basic Python (All Basic Computer knowledge)

LANGUAGE PROFICIENCY

- English, Hindi and Marathi

PROJECTS

- **Intellectual property rights (IPR) and economic growth in India (M.Sc.)**
(2024)
 - **Objective:** To gather as much information regarding economic growth through various sources.
 - This study helped develop IPR interest and various case studies.
- **Preparation and Investigation of Structural, Thermal, and Spectroscopic properties of Double Salts**
 - This project involves titration, filtration, and experimental results with the help of modern analytical instruments and equipment.

EXPERIENCE

- **FREELANCING || CHEGG-Managed Network Expert** (Solved various Questions on Chemistry, Helped Students) (1 April 2021 to 1 July 2022)

EXTRACURRICULAR'S

- Volunteered in "Chem-Carnival" organized by the Department of Chemistry at R.J. College (2022)

WORKSHOP'S & SEMINAR'S

- **Workshop's on Sophisticated Analytical Instruments** (ICT, Mumbai)
- **Workshop's on GREEN Chemistry** (Somaiya College, Mumbai)
- **Introduction of Plasma** (Institute of Plasma Research Training Program) (Somaiya College, Mumbai)
- **Value-added course** (IT in chemistry and safety in the laboratory) (RJ College, Mumbai)
- **HPLC Instrument** (Training Program) (Institute of Science, Mumbai)
- **Training Program on Analytical Instruments** (Thermo Fisher Scientific India Pvt. Ltd, Powai, Mumbai)
